8" Finished Block

The drawing above shows a finished block, but isn't to scale. I would consider the block *challenging* at any size, but at 8" it will be because of all the small pieces in the fingers. Better results will be achieved by piecing the block in a larger size.

Fabrics

Black (background)

Red: light, medium, and dark (apple)

Grey: very light, light to medium, dark (shading on hands, light and medium, with darkest grey for the shadowing under the apple)

Off-White (nails)

White (hands)

The color swatches above aren't an accurate representation of fabrics in the drawing.

I have also pieced a test block with flesh toned or cream colored fabrics.

Pattern Preparation:

The pattern is a PDF file. When printing, be sure that *Page Scaling* is “none” and that no other *Page Handling* items are checked.

I have included two patterns. One pattern is separated into units. The other pattern is not and will have to be cut apart.

****Neither option includes a seam allowance. A ¼” seam allowance will need to be added to all pieces.**
